Education

Bachelor in Geomatics Engineering

Kathmandu University, Dhulikhel (2021 - Ongoing)

+2 Science

Nepal Police School, Sanga (2019 - 2021) - GPA: 3.56

SLC

Shree Janata Secondary School, Bardibas (2018) - GPA: 3.5

Experience

- * Cadastral Surveying and Mapping
- * Remote Sensing & GIS
- * Total Station Operation
- * Topographical Mapping
- * GIS Mapping Trainings
- * ESRI Mock Tests (GIS for Climate Action, GeoApps)
- * Web Development (HTML, CSS, JavaScript - Codecademy)

Projects

3D Modeling of Panauti Hydropower

Created a 3D model to aid in visualization and infrastructure understanding.

GIS-Based Routing of Transmission Line

Applied Least Cost Path Method to design optimal routing from Dhalkebar to Bardibas.

Bhumika Kumari Singh

Geomatics Engineering Undergraduate | Kathmandu University

Groundwater Potential Analysis

Mapped groundwater viability using GIS tools.

Direction Angle Transformer & Angle Visualization Panel (Java)

Developed tools to analyze directional data and geographic angles.

Technical Skills

Languages: HTML, CSS, JavaScript, Python, C, C++, Java, MATLAB

GIS & Mapping: PostGIS, ArcGIS, QGIS, AutoCAD
